

## RATES FRAMEWORK

The success of our professional submission writing service is based on client consultation, open collaboration and feedback. What we bring to the table is a love for research, project strategy, an understanding of stakeholder priorities and the experience needed to elevate your organisation's value proposition against a unique set of submission criteria.

*"What a stunning submission ... Congratulations for the enormous amount of time and effort devoted to producing such a stunning submission extremely well presented, full of facts, high quality enticing images and countless tales of success. Certainly an award entry to be extremely proud of and a pleasure to read!" - Australian Awards judges comments.*
